 Editor Debbie K.

CPR CERTIFICATION

FRIGHT NIGHT 1998

*Date: October 28, 1998
 Trailboss: Brad J.
 Place: Mike & Sharon G.*

*Date: October 24, 1998
 Trailboss: Brian T.
 Place: Lockwood and Miller Jeep Trail*

Players: Brad, Carrie, & Sara J., Mike & Sharon G., Randy & Kathy P., Brian & Jennelle T., Mike & Catherine A & boys, Debbie K., Darlene & Whitney M., Ann A., Mark B., (did I forget anyone?)

A total of 14 SLO County 4WD club rigs participated in this years Fright Night put on by Point Mugu 4WD Club, and what a fine job the club did. The hospitality, friendliness, and great trail run was much appreciated by everyone.

The club would like to thank Brad J. for taking his time to give the CPR class which was very informative, educational, and loads of fun.

Leaving Margies at 55mph with Brian T. in the lead it was an awesome sight seeing our big group going down the freeway. (being passed by all.. including a horse trailer and semi)

The players learned adult CPR and Himlick using video tapes and actual hands and mouth on experience. Brad supplied the resuscitation dolls...two of which were in the theme of the month (Halloween)...dressed in something in the neighborhood of the terminator (i.e. No Faces) All participated...adults and kids alike. Actually the kids probably did better than some adults.

Arriving early at our destination, checking into the hotel, and umm well those who were brave enough set up camp. (Lynn S. and James B. family) The Slo Wheelers large group took off in the early group...enjoying all the ghouls, spiders, haunted houses, CB hauntings and the unknown on the trail. Screams were heard echoing all over the trails... Fun was had by all, the trail wet from rain (brought on by the presence of Brian or Randy..the final determination of whose fault that was..never really was resolved), the dark, and THE ROCK making the trail a 4 wheeling challenge. Breakfast (Judy J had 2 of them) and the raffle (Brad J. having to rent a Uhaul to carry his winnings home) was great.

*Brad is going to continue training on November 18, 1998 with first aid training.
 WARNING: Mark B. I want you as my partner again...evil grin*

A definate must for everyone

EVERYONE PLEASE COME

SLO 4 Wheelers General Meeting Summary November 4, 1998

- **President:** Ray M opened the meeting and asked the members to be thinking of 4WD causes to which we can donate some of our funds from 1998.
- **Vice President:** Mike A, led discussion on an article that appeared in the TT which contained misinformation about "loss" of National Forest Land to off highway vehicle use. No conclusion was drawn.
- **Secretary:** Kathy P circulated the roll sheet and agenda, and took notes.
- **Treasurer:** Judy J, gave a great treasurer's report and provided a copy for members to peruse.
- **CA4WDC:** Mark B announced that anyone who pays their membership before December 31, will receive 6 months free membership in the California State Association of Four Wheel Drive Clubs.
- **Events:** Randy P. Brian T reported on Frite Nite, which had a great turnout of 12-14 vehicles. Brent & Christy M, who had to cancel out last minute, still won second place in the poker hand, and Brad J won just about everything else in the raffle. Lynn S and Jim & Cindy B camped at the Gold Hill Campground, and the rest stayed at the Flying J. Next year there will probably be more camping as the area was much more protected from the cold than the former camping area

Ray reported on the Fall Vehicle Show and it sounded like a nice relaxing weekend.

Randy talked about the Leapin' Lizard which will be our next club run on November 14th & 15th. He plans to Leave Margie's in San Luis at 9:00 AM on Saturday, the 14th. Richard F is running the event with volunteers, and we hope to run a checkpoint. Dinner will be served to the volunteers on Saturday night. Camping is at Balanger Canyon off Highway 33, South and East of New Cuyama. Normally we have to be at our checkpoint before the riders start, so plan a quick breakfast, and a lunch for Sunday. Please call Randy for more information if you can help.

- **Land Use Liaison:** Will H, gave no report.
- **Membership Director:** Dave H was not present, but we still signed up 3 new members.
- **NewsletterEditor:** Debbie K asks that contrubutions to the newsletter be in to her in a timnely manner, by Sunday night.
- **Ways & Means chair:** Jennell T and Brian worked the booth at Colony Days. They personally brought in some funds for the Club.

Committee Reports:

- **Promotional:** Lynn S has shirts and vehicle emblems available for new members.
- **Safety:** Jessie H, was not present, but Brad J gave a repoort on our first CPR class on Wednesday, October 28th,. The first session was well attended by adults and children. Brad was pleased to see the youngsters participating without hesitation. The second session will be Wednesday, November 18, and will take about 2 hours. It will again be at the home of Mike and Sharon G.
- **Scrapbook:** Avanette Z brought in the scrapbook. Ava has kept the scrapbook up with current pictures every meeting, and it is filled with pictures and newspaper articles. Check it out if you haven't seen it!
- **Social Committee:** *Christy M circulated the flyer for the Christmas party. She also sold raffle tickets for a CB radio and a Hearst Castle book and film ticket. There will be other prizes raffled to offset the cost of the dinner. Remember, the nominations are going to be held at the Christmas Party Meeting!*
- **Telephone:** *Kathy didn't call anyone this month, but Joanna volunteered to help with the call list.*

- **Virtual Committee:** Mark B, has an interactive message thing in the website now. Jenni B left a message asking if anyone is interested in doing some 4 wheeling on the 15th.

Board of Directors Meeting will be November 19th at Brian and Jennell's

Respectfully Submitted, Kathleen P.
