for 4-wheelin' fun

- *Win a brand new Warn snatch block (Line doubler). YES! It's to be given away to the member who brings in the most new members (min. of 6) between now and April 3rd '97! To be presented at April meeting.*
- *This is a 16,000lb rated unit that demands respect! If you don't have a winch you still want this. I guarantee when you whoop this baby out on the next trail even the most sage mountain man will offer a low growl of respect and approval. It will make you a manly man or womanly woman and the lowly crowd of wanna be wheelers will part at your passing with awe in there eyes.*
- So get aggressive - tell em what we have to offer, share some trail experiences, tell them about some of our other activities trail adoption, political and land use work, conservation, vehicle show, newsletter, etc.

*The only restriction is that the winner must bring in at least a **minimum of 6 members!** Otherwise contest starts over!.(This means every one starts back at 0) Make sure if some one joins through you I know it: contact Mark B. by phone or via e-mail at AnEv942@aol.com*
